AT THE LODGE

Sun Mountain Lodge is a mountain destination where nature, connection, and adventure come together in perfect balance. Surrounded by an endless mountain range where ridgelines stretch into the horizon, Sun Mountain Lodge offers awe-inspiring vistas that can only be fully understood in person. That same sense of place is reflected in our team—deeply rooted in the Methow Valley, shaped by its seasons, and dedicated to caring for the lodge and its guests through years, even decades, of grounded hospitality. Here, the experience is defined by both land and people, where guests are welcomed not as visitors passing through, but as part of a place—and like family, always welcomed back.
